**2. Kindly select one of the below by ticking (✓) the appropriate selection:**

MOE Subject	Islamic Studies (Muslim)		PSHE (Non- Muslim)	

3. As per the Ministry of Education, all Arab students must study Arabic A until Year 13 (grade 12). The below subjects are offered to the non- Arab students. Kindly complete the below table.

Arabs Students	Non- Arab Students			
Arabic A	1.PE	2.CIE International Project Qualification (IPQ)	3.Debate	4.STEM

**Selected subject:** First Preference: \_\_\_\_\_ Second Preference: \_\_\_\_\_

**Important notes**

- Students have a choice to continue with four A level subjects or drop one and continue with three. Most universities look for three A levels while the MOE requirement for equivalency is one A level subjects that are listed on their list. If a course is undersubscribed (less than 15 students selecting it), the course will be removed from the blocks and those students selecting that course will be contacted to select their options again.
- All course and examination fees are payable at the start at the point of admission. Should exam boards increase their fees after this point, parents will be informed of the fee change. All course and examination fees are payable at the start at the point of admission. Should exam boards increase their fees after this point, parents will be informed of the fee change.
